Cross Cultural Communication–Asia and **Aozhongqiao (澳中桥)** provide targeted workshops to help prepare Australian business-people for travel to and doing business with China, and to organisations and local government wanting to improve communication and dealings between the two parties. We also provide one-to-one tutoring or workshops for Chinese business professionals who wish to improve their spoken conversational and/or technical English.

Workshop Topics

Chinese Cultural and Business Competency

Geo-political Context

Economy and Trade

Travel to China

Mandarin Chinese Language

Engineering & Infrastructure Projects (Australia & China)

Chinese Technical Vocabulary
